

Swim Lesson Care Policy

Our Swim Lesson Care Policy is put in place to protect the children who are having swimming lessons with us

- On arrival to the centre for swim lessons children must swipe in at reception to register their attendance
- No Shoes are allowed on Poolside or in the Changing Rooms for hygiene purposes and to protect the children's feet
- Children should arrive no earlier than 5 minutes before their lesson with their parent or an adult over the age of 16 years old
- They are to wait with their parent in the waiting area by the window for their teacher
- The child will be collected by the swimming teacher.
- Once collected the parent or carer can leave poolside and watch the swim lessons from the viewing gallery.
- In the interest of Health and Safety if your child is 8 years or younger, the parent or carer must not leave the building or use other facilities ie gym and sports hall whilst their child is in a swimming lesson
- If a child 8 years or younger needs to use the toilet their parent must come to poolside to collect them and take them to the toilet.
- Our lessons allow 5 minutes for drop off, collection and to take the registers
- To collect your child please be back on poolside no earlier than 2 minutes before the end of the lesson and wait by the showers for the teacher to bring your child to you.
- Children will not be allowed to leave without a parent present if they are 8 years old or younger

We would like to thank you for your cooperation following our
